Participation Profile

The **Malaysian Employers Federation Salary and Fringe Benefits Survey for Executives and Non Executives 2007 Report** is the thirteenth in the series of salary and fringe benefits survey reports since 1995. This year's survey saw the participation of 233 companies from the manufacturing and non manufacturing companies covering 11,542 executives' salaries (117 benchmark positions) and 38,899 non executives' salaries (98 benchmark positions).

Analysis

The 2007 report analysed in detail the remuneration package of participating companies by Industry, Employment Size, Location, Years of Working Experience, Capital Ownership, Sales Turnover, Unionised/ Non Unionised and Local/Multinational Company for both salary and fringe benefits section. Trends in salary range/salary scale of participating companies has been included to assist companies in designing salary packages for their companies. The report is accompanied by an interactive CD which allows for searching through the use of keywords.

The **Salary and Fringe Benefits Survey for Executives and Non Executives 2007 Report** would provide the comprehensive guide to:

- formulative salary structure
- attract new employees with the right mix of salary and fringe benefits
- revise existing compensation package to retain talent
