MEF-PERKESO Vision Zero : Occupational Safety And Health Coordinator Trained Person

FIRST COME, FIRST SERVED!

Eligibility Criteria:

1. Malaysian Citizen
2. First Time attending the OSHC training
3. Any personnel to be appointed as an OSH Coordinator in the workplace

By the end of the session, the Trained OSH Coordinator will be able to:

- ✓ Explain the purpose, objective and importance of OSH-Coordinator in an organization
- ✓ Perform duties as OSH-Coordinator in an organization
- ✓ Understand the requirement of OSHA 1994
- ✓ Promote safety culture at the workplace and take reasonable action pertaining to OSH compliance
- ✓ Manage and maintain OSH documents

Introduction

Small and medium-sized industries (SMI) and enterprises (SME) are currently getting attention due to issues related to Occupational Safety and Health (OSH). With the increased number of SMEs in the Malaysian business landscape, Malaysia is facing greater challenges in monitoring OSH requirements, workers' safety, and health issues.

In view of this, the Occupational Safety and Health Act 1994 under Section 29A requires every organization with 5 or more employees to appoint one OSH Coordinator at their respective workplaces. This programme will enable the participants to register with the Department of Occupational Safety and Health as an OSH Coordinator.

Mr Jerson Jerome

Consultant - Occupational Safety, Health & Environment
Malaysian Employers Federation (MEF)

Mr Jerson Jerome, OSH Consultant at MEF, is an HRDC Accredited Trainer and NIOSH-certified trainer. He has made significant contributions across multiple industries, including manufacturing, forest operations, and palm oil plantations. Jerson's expertise is demonstrated through his leadership in crucial safety initiatives, such as the SOHELP program, where he effectively implemented safety measures across three mills, and his contribution to the SOLVE4SME program, which aimed to improve safety standards in small and medium enterprises.

He played a pivotal role in the DOSH and Sarawak Timber Association's Forestry Train-the-Trainer program, a key initiative designed to elevate safety standards across Sarawak's timber industry. By equipping professionals with specialized knowledge and practical skills, he has directly contributed to a safer operational landscape in the region. Beyond industry practice, Jerson bridges the gap between academia and the workforce as a member of the Industry Advisory Board for the Bachelor of Science (Health, Safety, and Environment) program at Curtin University Malaysia. Currently, he serves the Malaysian Employers Federation (MEF), where he provides expert advisory services to members on OSH legal requirements and the implementation of industry best practices.

***Note: MEF reserves the right to change the trainer, subject to trainer availability and DOSH approval.**
