

Latest Criminal Misconduct at the Workplace 2025

26 Nov 2025 | 9.00 AM - 5.00 PM | MEF ACADEMY, PJ

The Malaysian Penal Code (Act 574) has undergone significant 2024 amendments to address workplace challenges such as bullying, harassment, doxing, privacy violations, and online intimidation. While these legal terms may seem complex, they directly affect daily interactions at work. This one-day practical training is designed for office staff with no legal background.

The participants will gain a clear understanding of what behaviors can cross into criminal offences, how to recognize risks, and what steps to take if they encounter such situations at work. This course equips employees to stay compliant, safeguard workplace harmony, and protect both themselves and their organization from potential legal pitfalls.
