

Occupational Safety and Health Coordinator Trained Person

9.00AM - 5.00PM | MEF ACADEMY PETALING JAYA

In general, the workplace continuously suffers from accidents, work related occupational disease and poisoning. This problem worsens when the workplace lack of expertise in OSH. In response to this, the government through the OSH Act 1994 has mandated each workplace with five staffs and above to appoint a trained OSH Coordinator. The role of the OSH Coordinator is to assist employer to ensure Safety and Health at the workplace. The OSH Coordinator is a critical position that facilitates OSH organisation and arrangement and OSH legal compliance at the workplace. By having the OSH-Coordinator, it is hope that the OSH performance at the workplace can be maintained and workers are protected from any hazard exposure. This program adapts theoretical and practical learning sessions to equip the participants with the necessary knowledge and skills to be the Trained OSH Coordinator.

WHO SHOULD ATTEND

Individual appointed as the organizational company's OSH Coordinator as stipulated under Section 29A of the OSH Act 1994
