

FINANCE FOR NON-FINANCE

18 & 19 AUG 2026 | 9.00AM - 5.00PM | MEF ACADEMY, PJ

Course Overview

This training is to equip professionals without a financial background with a clear understanding of key financial principles, statements, and metrics. This training aims to enhance their ability to interpret financial data, contribute to budgeting and forecasting processes, make informed business decisions, and effectively communicate with finance teams. By demystifying financial concepts such as profit and loss, balance sheets, cash flow, and ROI, the program empowers participants to align their departmental goals with the organization's financial objectives, ultimately driving better performance and accountability..

Who Should Attend

- Managers
- Finance Executives
- Non-Finance Executives
