

MIND MATTERS: MASTERING MENTAL STRENGTH IN A DEMANDING WORLD

26 MAR 2026 | 9.00AM - 5.00PM | MEF ACADEMY, PJ

Course Overview

In today's fast-paced work environments, mental health is more important than ever. This foundational training equips working professionals with essential knowledge and practical tools to recognize, understand and support mental well-being in the workplace.

Participants will explore key topics including an introduction to mental health, common mental challenges and disorders, recognize signs of poor mental health as well as strategies to manage stress and burnout. The course further emphasizes the power of active communication in creating a more supportive workplace culture.

Whether you're an employee, team leader or manager, this course provides a crucial first step toward fostering a mentally healthy and productive workplace!
