

CERTIFIED DATA PROTECTION OFFICER

28 & 29 APRIL 2026 | 9.00AM - 5.00PM

| MEFA TRAINING CENTER, PJ

Course Overview

In today's digital age, large amounts of data move through personal and organizational devices, making data security both a legal and ethical responsibility. Regulations like the GDPR and Malaysia's PDPA 2010 require strong data protection practices, making the Data Protection Officer (DPO) role mandatory for any organization handling personal data. This programme equips participants with essential knowledge in compliance and best practices. To qualify as a Certified Data Protection Officer, participants must pass a 50-question exam and will receive certification from the Malaysian Employers Federation Academy.

Who Should Attend

- All Department Leaders
- HR Executives
- Senior Managers
- Compliance Officers

Learning Outcomes

- Learn the main rules of PDPA 2010 & 2024 Amendment
- Conduct Data Protection Impact Assessments (DPIAs) & manage data risks effectively
- Create & enforce Data Protection Policy along with internal compliance measures.
- Practice best methods through case studies & exercises to work effectively as a CDP Officer.
