

FINANCE FOR NON-FINANCE

26-27 NOV 2026 | 9.00AM - 5.00PM |

MEFA TRAINING CENTER, PJ

Course Overview

This training is to equip professionals without a financial background with a clear understanding of key financial principles, statements, and metrics. This training aims to enhance their ability to interpret financial data, contribute to budgeting and forecasting processes, make informed business decisions, and effectively communicate with finance teams. By demystifying financial concepts such as profit and loss, balance sheets, cash flow, and ROI, the program empowers participants to align their departmental goals with the organization's financial objectives, ultimately driving better performance and accountability..

Who Should Attend

- Sales Managers & Sales Executives
- Human Resources (HR) Professionals
- Operation Managers
- Project Managers
- Department Heads & Team Leaders

Learning Outcomes

- Understand key financial accounting terms
- Coherent of financial reports (MFRS)
- Measure finance performance, managing investment income, expenses & ROI
- Undertake prudent financial planning, effective budgeting and negotiations
- Evaluate financial investment proposals.
