

PERSONAL DATA PROTECTION ACT (PDPA) 2024 AMENDMENT

16 DEC 2026 | 9.00AM - 5.00PM | ONLINE

Course Overview

Act (PDPA) 2010 and the key amendments introduced under the PDPA 2024 Amendment Act. The session is designed to equip participants with a clear understanding of the legal framework, core data protection principles, and the evolving regulatory landscape in Malaysia. It will also highlight significant changes under the 2024 amendment, including expanded compliance requirements, mandatory Data Protection Officer (DPO) appointment, breach notification obligations, enhanced data subject rights, and stricter enforcement mechanisms. Participants will gain practical insights into how these legal updates impact organizational policies, HR practices, and operational data handling, enabling them to strengthen compliance readiness and reduce regulatory risk.

Who Should Attend

- Human Resource (HR) Managers, Executives & Officers
- Legal, Compliance & Risk Management Professionals
- IT & Cybersecurity Personnel
- Internal Auditors & Governance Officers
- Business Owners, Managers & Supervisors handling personal data

Learning Outcomes

- Explain the legal foundation, scope, and purpose of PDPA 2010 in Malaysia
- Identify key definitions and the 7 Personal Data Protection Principles
- Understand how PDPA applies across different sectors and organisational contexts
- Analyse the changes introduced under PDPA 2024 Amendment Act
- Evaluate the practical implications of new requirements such as DPO appointment, breach notification, and cross-border data transfer rules

Trainer Profile

Navin Manghan Dewandas

Navin Manghan Dewandas is a legal and business consultant, senior corporate trainer, and digital transformation advocate with over 23 years of experience across legal, corporate, education, and business development sectors. He is a Certified Data Protection Officer (CDPO) and HRD Corp Certified Trainer, specialising in data privacy, compliance, and digital governance.

He currently serves as Senior Manager of Business Development at BAC Education Group, where he leads digital transformation and Industry 4.0 initiatives, including HRD Corp-claimable training programmes for corporates and government stakeholders. His expertise includes PDPA compliance, regulatory frameworks, and workforce upskilling.

Previously, he held senior roles in compliance, legal, and business development within financial services and education sectors. He is also Co-Founder and CBDO of STEMERA Sdn Bhd, an EdTech platform focused on digital learning and employability. Navin brings strong practical insights into PDPA implementation, making him a trusted facilitator for CDPO training programmes.
