

CORPORATE TAX FOR SME

27 & 28 OCT 2026 | 9.00AM - 5.00PM |
MEF ACADEMY, PJ

Course Overview

In today's dynamic workplace, the ability to deliver clear, engaging, and persuasive presentations is a critical competency for professionals at all levels. This intermediate-level programme is designed to enhance participants' existing presentation skills by focusing on advanced techniques in structuring content, engaging audiences, and delivering with confidence and impact.

Participants will learn how to craft compelling messages, apply storytelling techniques, and tailor their presentations to different audiences and business contexts. Emphasis is placed on practical application through structured activities, role plays, and real-time feedback to ensure immediate improvement and workplace relevance.

Who Should Attend

- SME Business Owners
- Finance Managers
- Accountants & Account Executive
- Tax Compliance Officers

Learning Outcomes

- Understand key corporate tax concepts, regulations and compliance requirements relevant to SMEs
- Identify allowable deductions, common tax risks, and areas that may trigger penalties or audits
- Prepare and review basic corporate tax computations and ensure proper supporting documentation
- Apply practical tax planning strategies to improve compliance and manage corporate tax responsibilities effectively
