TRAINER'S PROFILE

EN. ANIS FAHMY BIN PAUZI
(MEF OSH Consultant)

A master's of science degree holder in OSH management awarded by Universiti Utara Malaysia. He started his career with NIOSH Malaysia in 1998 as a training officer overseeing the Safety and Health Officer program under the training division. In 2003 he joined Malaysian Employers Federation as an Associate Consultant- OSH and was entrusted to advice member companies of the Federation on OSH legal compliance and OSH management. His main function includes representing MEF in various technical committee and sub committees under the Industrial Safety Standard Committee, Department of Standard Malaysia, National Council for OSH, NIOSH certification Sdn Bhd and Malaysian Society for OSH. He was part of the committee that published the Guidelines on Occupational Safety and Health Act 1994 – published by the DOSH, “*Garispanduan Keselamatan dan Kesihatan Pekerjaan*” – Ministry of Health, Malaysian Standard on Occupational Health and Safety Management Systems ISO 45001 and various industrial standard related to OSH, Safety of machinery and Ergonomics. He is also an Ergonomics Trained Person for Initial and Advanced Ergonomic Risk Assessment registered with the Department of OSH.
